

Pavilion Head Steward, Morna Wilson

Another show is just about upon us. The turn in the weather is uplifting for all and we should see some very good entries in all of the pavilion competitions.

Our theme for this year's show is HERBS. These wonderful plants have so much to offer, and are widely used in cooking, medical and spiritual applications. Our show stewards are working hard to make herbs a feature of this year's show and accordingly have incorporated herbs into a number of the competition entry categories. So, come along and have a look.

If you have never entered anything in the show, I would encourage you to do so. There are categories for almost anything you could think of: arts, crafts, cooking, jams and pickles, metal/woodwork work, flowers and produce, it goes on and on. There are categories for all ages. See our schedule for full details.

There is a copy on our web site at www.gloucestershow.org.au.

If you are a member of a club or an organisation your group can enter in the Clubs Challenge. See the schedule and get your group involved; it's all about having fun.

And fellas, there is a special section that you can enter. Cook an orange cake and win an Akubra hat, many thanks to Mac's Boots for this sponsorship. Page 8 of the Pavilion Schedule provides the details. Be at the show on Friday afternoon at 4.00pm to see who the winner will be.

The pavilion exhibits and competitions are great fun.

Our judges are not there to criticise, rather they are there to help and can offer tips on the various subject entries. It is also great to see how your exhibit compares to the rest, you may be a champion, you will never know unless you enter. This is also a way to make new friends.

Our competitions are part of the tradition of not only our show, but most Australian agricultural shows. Come and enjoy the exhibits and have a chat to our stewards. It's everyone's show and it will be as good as we want to make it. Let's make it the best. Many thanks to our stewards, sponsors, supporters and all those who enter our competition. Our show is 106 years strong and getting better.
