MEDIA RELEASE 16th AUGUST 2021

After much deliberation, Gloucester AH&P Association has made the difficult decision to cancel the rescheduled Gloucester Show due to be held on 29th and 30th October 2021.

This decision has been made with the health, safety and wellbeing of the community in mind due to the current COVID-19 situation both locally and nationally, a situation which now sees the state of New South Wales in lockdown for at least one week.

We greatly appreciate and acknowledge the continued support from our sponsors, stewards, exhibitors, competitors, officials, entertainment providers, patrons and in particular our dedicated volunteers. A great deal of time and effort is necessary to stage a Show, along with the financial commitment required beforehand.

This would have been our third attempt since March of 2019 to host the 106th annual Gloucester Show. We will plan and prepare for an event on 1st and 2nd April, 2022 with the community's support moving forward.

Kind Regards

Greg Channon
